

Doro - Managing and structuring data

[[Data collection & management](#)] [[Data infrastructures and archival workflows](#)] [[Documentation and resources](#)] [[Browse all of Doros' articles](#)] [* [Post-doc Paul and Datamanager Doro](#)]

"There's got to be a better way!"

As data manager, your day to day work might resemble that of our [Datamanager Doro](#). As a manager of a large database or data infrastructure, she looks for workflows and service & tool solutions around data management, standards, data exchange workflows and archival strategies.

Here you find articles and resources that Doro might find helpful.

Data collection & management

- [Aruna Object Storage](#)
